Paul,

Talon's cove is withdrawing their notice and will resubmit at a later date. This will withdraw task 6383. Please note that we do have an outstanding directive requiring them to update their plan by 3/26/2015 under task #6432.

Marie, please scan this email to file M/49/0091

April,

TM Crushing would like to withdraw the NOI revision that was submitted on 12/15/14. We are going to include some more revisions and resubmit. We should have our revision done in a couple of weeks.

Thank you for your help on this.
